## GOVA - Sites ECB

Provide a brief summary of the proposed project and how it relates to the Region's Economic Growth & Diversification Plan and priorities. Include the industry sectors targeted for the property(ies) being advanced.

| Test

Describe all partner organizations involved with the project (public or private), including the entity's role, financial or in-kind commitment, and capacity to successfully execute their duties as they relate to the project. These may include, but are not limited to, economic development entities, local governments, regional organizations, planning district commissions, land owners, or real estate development groups.

| Test

List any prior site advancement activities on the property(ies) in which public or private investment has occurred over the past five years, including dollars spent.

| Test

Has a site characterization report (or similar evaluation) previously been completed for the property(ies)? |  Yes

Please list the methodology or group completing the evaluation and year completed.

| Test

Has the applicant or locality(ies) in which the site advancement activities will be undertaken consulted with VEDP about the project? |  Yes

If so, please note the VEDP staff member(s) with whom the discussion occurred.

| Test

Discuss how this site(s) was prioritized for funding by the Regional Council over other sites in the region.

| Test

For privately-owned sites, discuss any current contractual agreements between the locality (or their EDA/IDA) and the land owner that are in place to allow for advancement of the site(s).

| Test

Explain how this planning effort may lead to or contribute to the success of related future grant requests.
